

# BE AN OPPORTUNITY BUILDER!

**Give Opportunity Partners the tools we need to empower people with disabilities to achieve their full potential.**

Your contribution to the Building Opportunities for Life capital campaign will help us as we enter the exciting final phase of our \$5.5 million campaign to renovate Opportunity Partners' Minnetonka facility and make other improvements vital to the success and independence of people with disabilities.

## **Our primary campaign objectives:**

- State-of-the-art vocational and technical training center
- Increased capacity and efficiency for support staff
- Enhanced production and warehouse capabilities
- Upgraded technical infrastructure
- A senior center providing high-quality services for one of the first generations of people with disabilities to reach retirement age
- Dedicated endowment fund to reward and retain staff
