

Case Study: Minnesota Air National Guard

Opportunity Partners Business Services

Since 2008, a crew of nine from Opportunity Partners travels in teams of three to multiple buildings on the **Minnesota Air National Guard** base in Bloomington to clean 58,000 square feet of space.

Duties include vacuuming, mopping, restroom cleaning, dusting, washing windows and removing trash.

Challenges:

- X National Guard members are coming in for training or leaving for duty and could not spend time cleaning.
- X Cleaning is not their core competency.

Solutions:

- O Opportunity Partners provides a wide range of on-site cleaning services using our own equipment, adding consistency and on-demand specialty services.

“Opportunity Partners has provided the 133rd Air National Guard Base with exemplary service for the past 10 years. The work provided has been top notch in all areas: delivery, timeliness and attention to detail. The team has been a pleasure to work with, is always well supervised and goes above and beyond expectations. We look forward to continuing our partnership with them.”

- Tom Reller, Building Maintenance
Supervisor 133rd Airlift Wing
