## Work:

### Vocational Options

From a completely independent job to a more supported career option, we work to find meaningful employment.

#### Independent placement

- **Vocational Evaluation & Discovery Assessment**- explore career options to find the right fit for varying work interests and skills.
- **Job Development** - 1:1 professional support & training during your job search that leads to independent, competitive employment.
- **Job Retention** - continue to receive support after you secure your job with face-to-face visits as needed.

#### Supported Employment Teams (SET)

Work with an instructor as part of a team to become a skilled, wage-earning member of the community.

#### Center-based packaging and assembly

Accommodating all skill levels, we offer packaging employment from a diverse range of industries.

“ Being here has opened doors for me. I have my freedom. I had the choice to move on to a community job, which I did in 2014. I feel like I made it to the big league. ”

–Phillip

With disability services for young adults to seniors, we offer flexible plans and programs to meet a lifetime of changing needs.

#### Brain injury services

Rediscover the world. Learn to master new skills, live more independently and work individually or as part of a team.

#### Day services

As a licensed day service provider, we offer learning and employment support for adults with a wide range of disabilities.

#### Retirement transition - Golden Opportunity

Receive nurturing, supportive care designed to meet changing needs and abilities. Specialized care for dementia and Alzheimer's available.

## Partner With Us

### Benefits of working with Opportunity Partners

- Control operating costs
- More flexibility to meet market fluctuations
- Enhance capability and increase capacity
- Accelerate time to market
- Gain competitive edge
- Focus on core business
- Build a long-term relationship with a reliable partner

“Coghlan’s is a family-owned company and has built its reputation on core values of quality and innovation. For more than 50 years, we have relied on the flexible and cost-effective services of Opportunity Partners for our packaging and assembly needs. This trusted partnership has allowed us to accelerate our time to market, control our costs and focus on our core business. To be able to accomplish this, while providing valuable work opportunities to thousands of people with disabilities, is extremely gratifying.”

–Rob Coghlan

## Our Mission

*Together we advance the quality of life for people with disabilities.*

*“ Partnerships are a key to our success. The more people who know our mission, the more doors we can open for people we serve, helping them to reach greater independence. ”*

*–Armando Camacho  
President and CEO  
@ACamacho\_OP*
