

## **Private Pay Job Development & Retention Services**

---

***Need help beginning a job search, brushing up on interviewing skills or making changes to a resume?***

Opportunity Partners Vocational Services now offers customized help with job development. No eligibility requirements needed. Partner with an experienced Job Developer who has a history of success with connections and resources to share.

### ***Job Development***

Resume building/updating, job search, completing job applications and applying (paper and online), building interview skills or interview “readiness” such as mock interviews, preparation for, best practices & techniques.

### ***Job Retention***

Assistance with onboarding/job start (completing new hire paperwork), online training supports, assist with disclosure to your employer, on or off site job supports (can meet outside of work to discuss challenges and provide “behind the scenes” support).

### ***We provide:***

- *Confidential services & no eligibility requirements*
  - *Flexibility to work around your schedule*
  - *Individualized services to meet your specific needs*
  - *Partnership with an experienced professional*
  - *Locations all over the Metro*
-
